Water Street Cooker

If you've passed by The Water Street Cooker (2084 Old Lakeshore Road) lately, you would have noticed the beautiful face-lift that it's received along with neighbouring Emma's Back Porch. The newly renovated Heritage Building now provides a warm welcome upon entering.

WSC still offers the same great fine food that guests have come to know and appreciate with a new menu for November. Sunday brunch is still a favourite where you can give your kitchen a day of rest and enjoy a buffet featuring champagne and orange juice, fresh peel and eat shrimp, oysters, mussels, salmon, eggs benny, prime rib, bacon, home fries, fisherman's stew, macaroni and cheese, salads, chowder, breads, omlette station, waffle station, deserts and more.

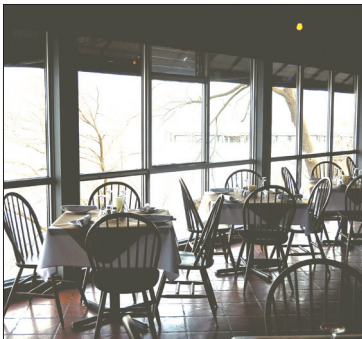

The Lakefront bar is a great place to start or host any gathering- a great stop before or after any of the new Performing Arts Centre's amazing shows. With the holidays quickly approaching, you should suggest WSC for your holiday work party to your boss. A fresh selection of prime rib, steak and seafood will definitely show appreciation to any staff in need of celebrating. Special group menus will also make planning easy.

The WSC locally sources out fresh and organic offerings, their beef is certified angus beef (CAB) and their fresh fish follows Oceanwise Practices.

If you'd prefer the WSC fine taste to come to you, they now offer catering by Catered Fare. Visit www.waterstreetcooker.ca/reservations.html to inquire with any questions regarding catering your event.

The staff's quality and value has been the WSC standard since the opening in 1992 setting the standard for hospitality in Burlington. The Cooker, along with Emma's, has celebrated over 20 years in business this year. Being a favourite in Burlington for two decades takes a great deal of work and dedication which the Cooker has proven to be extremely successful at. WSC is open Tuesday to Saturday for dinner and Sunday for Brunch. WSC can be booked out for private parties Sunday or Monday nights. Catering service available. Visit them again and again, call 905-634-2084 for reservations.
